*Those who move along the path of Neohumanism make their lives glorious and effulgent, and their sweet radiance illumines and glorifies all other minds in this harmonious universe. In that state, whatever they come in contact with in the world, they can distinguish the pure from the impure, the true from the false. On these people alone can all of humanity rely. Their victory is assured.*

Dear Brothers and Sisters,

With great pleasure I extend my warm Namaskar to you all.

This summer we invite you and all your family, to come and experience the new organizational feeling. Day by day present society is changing so fast. And we must be ready for any changes.

Summer conference 2022 will be unique as we are going to initiate programs given by Baba. We will discuss new vision on how all Departments will work in unity and create a new feelings.

There will be two Conferences. One will be in Ananda Putta Bhumi, Poland, for the eastern part of the Sector. The other one will be in Madhu Karuna, Germany, for the western part of our sector.

We wish you all good health and inspiring Sadhana.
